

## **5.3 Warrior** **Mercury 115hp**

Built by **Polycraft** here in Australia, the **Warrior** is one of the safest open runabouts available for hire!

Not only does the **Warrior** have inbuilt flotation properties we have had our fleet built to “**Survey Standards**”! Giving you, our customer one of the safest hire boats on the water!

At “**Soldiers Point Boat Hire**” each and every boat in our fleet carries onboard **GPS technology**!

Our **GPS System** puts you under the watchful eye of management for the duration of your hire period! The inclusion of **GPS** to our fleet displays our focus on customer safety!
