

4.5 Drifter Mercury 15hp

Built by **Polycraft** here in Australia, the **Drifter** is one of the safest open boats available for hire!

Not only does the **Drifter** have inbuilt flotation properties we have had our fleet built to “**Survey Standards**”!

At “**Soldiers Point Boat Hire**” each and every boat in our fleet is equipped with the latest in onboard **GPS Tracking Technology**!

“Soldiers Point Boat Hire offers its customers the safest hire boats on the water!”

Our **GPS System** puts you under the watchful eye of management for the duration of your hire period! The inclusion of **GPS** to our fleet displays our focus on customer safety!
