## Ahoy!

### WELCOME BACK TO SCUTTLEBUTT

It's been a busy 12 months of changes and improvements to the marina precinct, and we are eager to share these developments with you.

**Restaurant 2317.** We have said goodbye to The Point Restaurant, but we are thrilled to announce that the team from the renowned Little Beach Boathouse has opened a sister restaurant, Restaurant 2317, in the same stunning location. They have carried out some beautiful renovations, and their mouth-watering menu is the perfect complement to our unbeatable scenery and sunset.

**Lexus limousine.** As part of our VIP valet service, we are excited to welcome a new Lexus limousine to the marina. Luxury chauffeured transfers to and from Newcastle/Port Stephens airport are now available for our guests.

**Guest eBikes.** For a bit of fun, fitness and sightseeing ease, we have purchased some eBikes for our guests to use whilst they are staying with us. It's a great way to explore our pristine pocket of paradise.

**Sail with SV Sovereign.** We are thrilled to announce that we will soon welcome a brand-new Beneteau Oceanis 38.1 to the marina. SV Sovereign is joining our SailTime fleet alongside our 35' Swift Trawler, MV Independence. SailTime is a popular way for water lovers to experience sailing or cruising without the cost or time burden of traditional boat ownership.

**Super-fast EV charger.** We have upgraded our EV charger to a super-fast charging station for the benefit of our visitors and guests. Enjoy our facilities and our scenery while you wait.

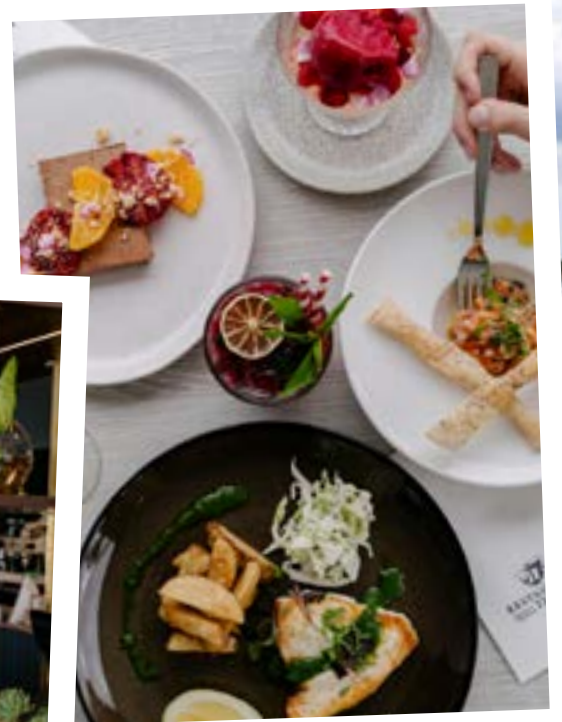

As always, we are driven to provide you with best-in-class services and facilities, and we hope you enjoy reading about how we are delivering on that promise to you.

Thank you for being part of the Soldiers Point Marina family.

# RESTAURANT 2317

## Stunning new restaurant now open

**The beautiful new Restaurant 2317, sister restaurant to the highly acclaimed Little Beach Boathouse, has officially opened at Soldier Point Marina.**

Boasting a delectable menu, a scrumptious wine and beer list, and breathtaking views, Restaurant 2317 is the new belle of the Port Stephens' dining scene.

Located upstairs in the spectacular venue previously occupied by The Point Restaurant, Restaurant 2317 is owned and operated by the same owners as Little Beach Boathouse who are renowned for creating exceptional food and fine dining experiences.

Their menu focuses on fresh local produce and seafood, and to complement your meal choose from an array of local and international wines, tap beers and bespoke cocktails.

Visit for an afternoon drink or a sunset meal with amazing views.

Bookings are now available via their website:  
<https://restaurant2317.com.au/>

Follow them on Facebook and Instagram for mouth-watering inspiration.

Spoil someone with a gift voucher, available for purchase from their website.

Soldiers Point Marina guests who hold the Moor Benefits loyalty card get 25% off food up to \$40.

# THE MAGICAL MYALL

## HOW TO MAKE THE MOST OF IT

Winding its way through unspoiled national parks, the Myall Lakes is a vast system of coastal lakes and picture-perfect beaches, accessible from Soldiers Point Marina via the Myall River which flows into Port Stephens.

The Myall Lakes is a very popular destination for our marina guests over the summer holidays, many of whom venture up the 'Lakes' every year. Some travel from Sydney and Lake Macquarie, stopping at Soldiers Point Marina on their way through.

The extensive waterways of the Myall Lakes system offer an excellent range of boating opportunities. When full, it covers an area of around 5,800 hectares of coastal brackish waterways, located within the Myall Lakes National Park. The waterways are made up of three major lakes: the Myall Lake, the Boolambayte Lake and the Broadwater. The three lakes are connected by the 'narrows' and are fully navigable. The lake system is recognised internationally, with the National Park being listed as a RAMSAR wetland.

Fishing is a relaxing pastime and the Myall Lakes offer a number of eatable species including bream, whiting, Australian salmon, flathead and mullet; however, it is important to note that parts of these waters are protected as part of the Port Stephens – Great Lakes Marine Park. Please check at <https://www.dpi.nsw.gov.au/fishing/marine-protected-areas/marine-parks/port-stephens-marine-park> to ensure you only fish in the appropriate location.

Being a marine park it is essential that we take care of the environment. A mobile sewage barge, funded by the maritime arm of Roads and Maritime Services of NSW, operates on the Lakes and is free to private boat owners. A wharf-based sewage pump-out facility is located at Bombah Point and is also free.

While the Myall River is marked with navigational lights and markers, it is recommended to travel during daylight hours and at high tide.

Dean and Bernadette from 'Balance' are long-time marina customers who make the 5-hour trek up the Lakes every year. This is their story and their top tips for making the most of it.

We are often asked "why do you keep going to the Lakes?" and "don't you get sick of it year after year?"

My answer in a word is "Never".

The Lakes is a unique and beautiful location. It's a place where white sand meets fresh water, where visitors appreciate and respect the pristine environment, and vow to keep it that way for future generations. Until you see this place you may never understand what I am saying.

We go there because everyone respects each other; simple courtesy matters up at the Lakes. If you want to make heaps of noise, and party, that's fine, be as loud as you want and enjoy yourself; just don't do it where people are trying to relax. If you want to make a wake, knock yourself out if you are in the right area. If someone needs a hand you step up and help; you say hello as you pass someone. I call this being a good human.

Time doesn't matter on the Lakes. The sun rises and it sets, and each one is spectacular (make sure you see at least one of these!) What you choose to do between these times is up to you. The mornings are so different to the afternoons, enjoy them both.

The depth of the lake is fairly constant at around 2m – perfect for almost anything you want to do on the water. Over the years we have acquired all the toys such as paddle boards and kayaks which are great to leisurely explore the endless kilometres of banks and enjoy the many sights.

We have inflatables for the kids for fun and others for the adults to just laze around and enjoy a drink. We have all the basic snorkelling gear you would need. As the kids have gotten older, we have acquired larger toys such as jet-skis and powered tenders, and sail- and battery-powered kids' toys.

The kids love it on the lakes. They have the freedom to be kids, and the freedom to learn how to be responsible. There is plenty for them to do; give your kids some trust and the older kids look after the younger kids. Yes, we allow devices, but the kids decide for themselves that being outside is much more fun.

Let's talk about people. I have met some of our closest and most trusted friends on the Lakes. They are people I talk to often, may see less often, but share the same values. Every year we plan, we catch up, we raft up, we celebrate, we laugh, and we cry. These people mean the world to me and if wasn't for the Lakes our paths would never have crossed.

The Lakes are a special place. If you're a good human who respects the natural environment, it's worth a try at least once.

## DEAN & BERN'S MYALL TIPS

### RIVER TIPS:

The river can be a little tricky. It's always changing and, to be honest, has more shallow spots in recent years.

Know the tides – the higher the better. If this is your first trip, follow someone with more experience. The boat with the smallest draft goes first and be on the radio. Take your time, keep your wake to a minimum as you head up the river, enjoy the view and look after the banks.

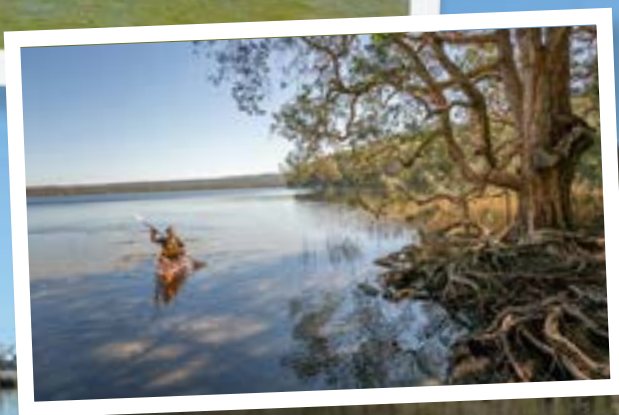

### TIDE TIPS:

Be at Tea Gardens at high tide for the trip up and be at Tamboy 2 hrs before high tide for the trip down. I draw 1.2m and my minimum tide is a 1.5m high tide.

### TOP 5 LAKES TIPS:

- Be a good human.
- Take your time around other boats.
- Watch out for shallow spots leading into and out of Violet Hill – SLOW DOWN.
- Effluent Pump out, call Mack and Linda, know when they will visit Ph 0417 621 122.
- Watch the weather. If everyone is moving and you are not, ask yourself: WHY?

If you have any questions about heading up the Myall River and into the Myall Lakes system, please don't hesitate to call Darrell for his top tips.

## THE BOATSHED BECOMES SEA SALT SOLDIERS POINT

**We are thrilled to announce that the beautiful Boatshed has been transformed into SEA SALT SOLDIERS POINT!**

In another coup for the marina, the team at Zenith Café in Shoal Bay are taking over the reins of this truly unique venue, situated over the water with 360-degrees of our spectacular surrounds. Suz and Damien Johnstone, and Joel and Sarah Casey, are now serving up their famous coffee alongside a great new menu at SEA SALT, sister café to Zenith.

The marina is familiar territory to Suz whose parents, Paul and Julie Simpson, ran The Point restaurant for 17 years.

We sat down for a quick chat with Damien to discover their plans for their new venture:

**Q. What inspired you to open a cafe on the water and what do you hope to bring to the community?**

**A.** I've always had a love for the water and what could be better than bringing my two passions together – cooking on the water! We can't wait to bring great coffee and consistent food to a fun, friendly and beautiful environment.

**Q. Can you tell us about your culinary background and experience?**

**A.** I've been a chef for over 30 years throughout Newcastle and Port Stephens.

**Q. Are there any special events you have in mind for the cafe?**

**A.** How does High Tea on the Sea sound?

We think it sounds awesome! And with so much culinary experience flowing through their veins, SEA SALT SOLDIERS POINT is bound to be a resounding success.

## Fresh Faces At The Deck NEXT WAVE JOINS THE HELM

**THE DECK CAFÉ, RESTAURANT & BAR** has welcomed its next generation to this popular family-run restaurant.

Perfectly positioned on the water at Soldiers Point Marina, The Deck offers much more than a beautiful spot to sit and eat and watch the pelicans fly by.

The Pappasavvas family have owned and run the café/restaurant/bar for more than 17 years and is excited to announce that the younger generation is stepping up.

Bambos' son 'Little Nick' is assuming the helm in the kitchen and leading a dynamic young team that has already put its stamp on the menu with a handful of flavourful new dishes. The menu is still retaining its same great focus on fresh seafood and mouthwatering Mediterranean cuisine, and The Deck's regular patrons will be pleased to know that their old favourites are still firmly in place.

For bookings, call 02 4919 1502. Visit the website - [www.thedek.net.au](http://www.thedek.net.au) or find them on Facebook - [thedekrestaurantsoldierspoint](https://www.facebook.com/thedekrestaurantsoldierspoint)

# 'WE WON!' 40 YEARS ON

## Celebrating Australia II's legendary America's Cup win

Australia II made history on 26 September 1983 when it crossed the finish line in first place to win the America's Cup. It was the first win for a country other than the USA for 132 years!

This incredible victory off the coast of Rhode Island will be remembered forever by those of us who rose before dawn and crowded around the television to watch the final race unfold. This day will also be remembered for Bob Hawke's famous comment, "Any boss who sacks a worker for not turning up today is a bum."

Going into the seventh and final race against the Americans, the races were levelled at three each, after Australia had clawed its way back from a 3-1 deficit. The final race saw the two yachts fighting until the very end, with Australia II winning by just 41 seconds.

To celebrate the 40th anniversary of this remarkable feat, Soldiers Point Marina hosted a dress-up party – 1980s style, of course – for our marina guests in our America's Cup lounge. This popular lounge is available year-round for our berthing guests and is the perfect place to meet and chat with other

guests, or simply to relax and watch TV in air-conditioned comfort.

As well as an extensive selection of America's Cup memorabilia, the lounge features a 65" HD flat screen TV with Foxtel, DVD player and an Xbox 360, as well as board games and a small library. Complimentary beer, red wine, white wine, Twinings tea, Nespresso coffee and soft drinks are available 24/7.

We look forward to welcoming all our visiting guests to enjoy our lounge over the summer.

For marina bookings, call Darrell on 02 4982 7445.

# SCHOLARSHIP SEES STUDENT SOAR

## DALCORP'S LIFE-CHANGING SCHOLARSHIPS

Since 2005, Soldiers Point Marina has been a proud partner of the DalCorp Foundation in offering student scholarships to the independent boarding and day girls' school, Wenona, located in North Sydney.

Each year the needs-based scholarship is awarded to a deserving and motivated student who meets the eligibility criteria. The applicant's family must demonstrate financial need and could not otherwise afford a Wenona education. The scholarship covers 100% of all costs associated with tuition and, if needed, boarding assistance for the duration of the student's schooling at Wenona.

To date, a total of 21 students have been awarded a transformational educational experience at Wenona. Annelise Watkins, from a small country town in southeast NSW, speaks enthusiastically about her time at Wenona as a scholarship student:

*"I was so excited when I arrived at Wenona in 2017 to commence Year 7. My small hometown offered very limited opportunities. Wenona has widened the horizon for me, and no matter what type of person you are, Wenona embraces you. It also offers amazing subjects, music, STEM, sports and extra and co-curricular activities. The teachers are wonderful and help everyone. The DalCorp scholarship has allowed me to spread my wings, try new things and discover who I am by reaching my full potential. Thank you for opening up my world."*

Since graduating from Wenona in 2022, Annelise has begun studying a Bachelor of Nursing Degree at the University of Newcastle.

Soldiers Point Marina provides 50% of all profits to the DalCorp Foundation to support this program.
